

The "A" TRIBE MEETING  
Minutes  
September 17, 2019  
6:00 PM CLASSROOMS

Parents were directed to go to their child's classrooms upon arrival. Once they got to the classroom they were asked to sign in and given a printout of their child's information and a survey. The teachers discussed the printouts and talked about what the academic expectations were per grade level. They looked and discussed the student data in Math, ELA, and Reading, reviewed Star Reports in reading and math. Teachers discussed the reading core program "Reading Wonders" and the math core program "Eureka Math". They went over Georgia Standards of Excellence, Lexile levels, and GA Milestones. Students shared Flip-Grid projects, Data Notebooks, student led fluency practice with parents. Teachers advised parents what they were doing as teacher to help the student and addressed ways parents could help their child at home. Parents were given take home information/ideas/kits to help their child at home. Teachers discussed Compacts, AR Goals, and asked parents to sign up for conferences if needed. The meeting adjourned at 6:30 pm
