

Feel free to request parent/teacher conferences to discuss your child's progress. The parents, family and staff of Cloud Springs Elementary jointly developed this Family-School Compact for Achievement. Parents created the suggestions for home activities to support their child's learning. School-wide meetings are held each year to update this compact. Parents are welcome to contribute comments at anytime. For more information on this compact please contact Kellie Taylor at 706-866-6640.

Communication about Student Learning

Cloud Springs Elementary School is committed to communicating regularly with families about children's learning. Some of the ways we communicate are:

- ◆ Report Cards
- ◆ Parent Portal Updates
- ◆ Progress Reports
- ◆ Weekly folders
- ◆ Class Newsletters
- ◆ School Newsletters
- ◆ School Website
- ◆ Remind
- ◆ Conferences

Contact your child's teacher by phone (706) 866-6640 or email for questions about your students progress.

Parent Family Engagement/Volunteer Workroom/Resource Center

Come get involved at the CSE Family Center. Volunteer opportunities are waiting for you!

We welcome everyone to get involved and volunteer. Mrs. Honeycutt, our Parent Involvement Coordinator, works Monday—Friday 8:00 am to 12:00 pm. However, our workroom is CLOSED at this time. If you need help, information, contact Mrs. Honeycutt at 706-866-6640 or email khoneycutt.cse@catoosa.k12.ga.us

What is A Family-School Compact?

A Family-School Compact for Achievement is an agreement that parents, students and teachers develop jointly together. It explains how parents and teachers will work together to make sure all students get the individual support they need to reach and exceed grade level standards.

Effective Compacts:

- **Link** to school goals
- **Focus** on student learning skills
- **Describe** how teachers will help students develop skills using high-quality instruction
- **Share** strategies parents can use at home
- **Explain** how teachers and parents will

District Goals For Student Learning

1. To Improve the percent of students scoring proficient (levels 3,4) in grades 3 through 8 on the Georgia Milestones EOG assessment
2. To improve the percentage of students graduating from high school.

When teachers, students and families work together, we can achieve our goal.

Every child, Every day, without exception

School Goals For Student Learning

ELA in 2nd grade we will focus on building reading fluency and comprehension. In Math we will focus on fluently adding and subtracting numbers between 1-100.

1. Reading Goal: Using the 2022 GA Milestones Lexile scores, students in 3rd, 4th, & 5th grade will have a 3% increase in reaching the midpoint of the grade level Lexile band as compared to the data from Spring 2021
2. ELA Goal: Using the 2022 GA Milestones ELA scores, students in 3rd, 4th, & 5th grade will have a 3% increase in scoring "Proficient and Above" as compared to the data from Spring 2021
3. Math Goal: Using the 2022 GA Milestones Math scores, students in 3rd, 4th & 5th grade will have a 3% increase in scoring "Proficient and Above" as compared to the data from Spring 2021

CSE 2nd Grade Students

CSE students joined staff and parents to develop ideas about how they can succeed and reach for the stars in reading, math, and writing. Students thought of the following ideas to make connections between learning at home and school:

- I will read at least 1 AR book at home every week
- I will read my sight booklet every night
- I will practice my math facts every night

Comments and/or suggestions are welcome at any time during the year.

We want to stay in touch with you. Feel free to request a conference with your child's teacher or an administrator by calling 706-866-6640.

CSE 2nd Grade Teachers

2nd Grade Teachers will work with students and their families to support students' success in reading, math, and writing. Some of the key connections with families will be:

- We will communicate information about students individual data and goals and provide parents access to monitor their child's AR progress
- Send home weekly passages to build fluency and sight word books with strategies on how to study the words
- Provide monthly math fluency strategies

At Home—Parents

CSE parents joined staff to develop ideas about how families can support student success.

- ♦ I will listen to my child read every night for 20 minutes
- ♦ Study grade level sight words or spelling words with my child
- ♦ I will attend conferences regarding my child's academic achievement
- ♦ I will help my child by attending "A" Tribe meetings regarding my child's academic achievements in reading/math/ELA

CSE MISSION STATEMENT

OUR MISSION IS TO ENSURE HIGH LEVELS OF LEARNING FOR ALL
