PRINCIPAL FOR THE DAY

With flu season in full swing, it is important that we work together to keep our children healthy. Viruses spread easily among children in schools, and families with school-age children have more infections than others, with an average of one-third of these family members infected each year. By keeping our children flu-free, we benefit the community as a whole. You can help prevent the spread of the flu or help your child get better if he/she does get sick by following a few simple steps:

- If possible, you and your child should get a flu shot
- Remind your child to cover his/her nose and mouth with a tissue when sneezing or coughing and dispose of the tissue immediately or cough into his/her sleeve
- Have your child wash his/her hands frequently with soap and warm water for at least 20 seconds
- Disinfect frequently-touched surfaces and shared items at least once a day
- Ensure that bathrooms are stocked with soap, hand towels, and tissues
- Teach your child not to touch his/her mouth, nose, and eyes
- If your child is sick and has a fever, keep him/her at home until fever free for 24 hours without fever-reducing medications like Tylenol or Ibuprofen (Motrin) to prevent the spread of illness.

Common symptoms of flu include high fever, severe headache, muscle and body aches, exhaustion, and dry cough. Additionally, children often exhibit other flu symptoms that are rare in adults, such as nausea, vomiting, and diarrhea.

BOX TOPS

BOX TOP APP - Join CSE in earning cash for our school by using the Box Tops app.

It's an easy way to make a difference. All you have to do is buy Box Tops participating products (like Cheerios, Crescent Rolls,

Betty Crocker Cake mixes, etc.) and scan your grocery receipt. Box Tops are worth \$.10 each and they add up fast! Twice a year, our school receives a check to help pay for whatever we need including equipment, supplies, or experiences the kids love! Download the Box Tops for Education app here:

SANTA SHOP

CSE PTO Santa Shop -December 11th thru December 15th . A schedule will be sent home with students that have their designated time to shop and purchase gifts for their families. If your child is going to purchase gifts, place the money they are going to spend in the envelope that was provided with the schedule and return it on their day to shop. If your student is

absent on their scheduled visit, they will be allowed to shop during the open time slot at their grade level scheduled time. Parents/Guardians can shop, just check in at the front desk and get a badge upon arrival.

CSE PTO Cookie Dough Fundraiser was a success! Thank you to all who participated. We raised enough money to purchase a new sound system for the gym.

News from Coach Collett

Parents/Guardians, Santa says "Ho-Ho-Hold off on purchasing tennis shoes with black soles for your child this Christmas as these tend to leave large black marks on our gym floor. White or light gray soles are a much better option. Thank you so much for your support! Happy Holidays and Go Warriors!!"

Catoosa County Stocking Full of Love

CATOOSA COUNTY Stocking Full of Love TOY RUN

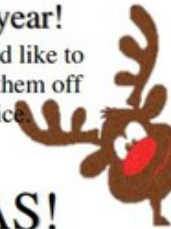

It's that time again, folks! Just as in years past, join us on the
1st Sunday in December @ 2p.m. @ 1830 Lafayette Rd., Ft. Oglethorpe, GA in front of the "former" Big Lots location. The
RIDE will begin @ **2:30p.m.** and end at Ringgold High School.

Annually, we aim to collect enough donations that allow over 1,000 community children to receive something for Christmas. And each year, our area **BIKERS** are a huge part of providing that **Christmas** joy!

So, let's do even better this year!

Those who are unable to attend and would like to donate a new unwrapped gift, may drop them off at the Catoosa County Sheriff's Office.

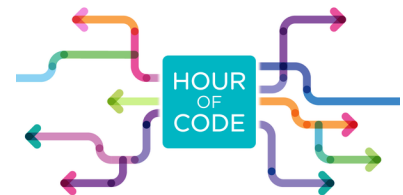

MERRY CHRISTMAS!

NEWS FROM MRS. COLE

During the week of December 4th-December 8th, CSE will be participating in The Hour of Code. The Hour of Code movement began as a one-hour coding challenge to give students a fun, first introduction to computer science and has become a global learning event, celebration, and an opportunity to raise awareness. [HourOfCode.com](https://www.hourofcode.com) offers hundreds of one-hour activities for kindergarten and up. CSE students always enjoy this yearly tradition.
